Select PHONE as Shown in above image

Phone number

080072 91785

Your number can be used to deliver important notifications, help you sign in, and more

PREFERENCES

Account security and password reset

Use this number to get account security alerts and reset your password if you forget it.

Better sharing on Google

Enable video calls & messages, and get notifications through Google services when people send photos & more to this number.

If turned off, you'll get SMS notifications instead.

Update Your Phone Number and make sure account security and password reset enable as shown above
